

ADDENDUM #2-BOROUGH OF DUMONT SPECIFICATIONS FOR BIDS FOR
CONTRACT FOR MUNICIPAL SOLID WASTE AND RECYCLING COLLECTION AND
DISPOSAL

Per bidder questions and review of the existing specs, this is Addendum #2 to the above referenced specifications.

1. **Pages 29 and 30 "Proposal pages"** - A column adding a per ton tipping fee for each year of the contract will be a separate bid item from the aggregate MSW and recycling collection fee.
2. **Page 38 Miscellaneous Information-** There is a typographical error in the number of residential dwelling units. The number of single, two, three and four family homes are individually correct, but the total should read 5,330, rather than 5,352.
